Event Specific Race Procedures

- o All starts and restarts will take place in the area of the inside wall opening in turn four at the *VP Makin' Power* sign
- o The leader is the control car on all starts and/or restarts
- o The leader has the choice to run inside or outside on the original start and/or all restarts
- o Restarts will be double-file with lead lap cars to the front. Lapped cars will drop to the inside under caution and rejoin the field after the last car on the lead lap in their running order on the race track at the time of the caution. Lapped cars will be signaled to do so on the one-way radio. However, if a caution is displayed during a double-file restart before a lap is completed, then the ensuing restart shall be a single-file restart. Subsequent restarts revert to double-file. Series Officials reserve the right to change and/or alter this rule, provided the competitors are given notice (in advance and/or over the one-way radio) due to any circumstance that require such a change and/or alteration
- o One EZ Pass will be awarded in the feature only to the lead car one lap down.
- o All races will end with a green-white-checker finish
- o Caution laps will not count in any race during the DIRTcar Nationals Super DIRTcar Series events
- o If at any time you intentionally stop on the racetrack to cause a caution and pull to the pits and change a tire that was not flat, you will be penalized one lap and will not be eligible for the EZ Pass for the rest of the event.
- o Two courtesy laps will be given in the feature only for a flat tire.
- o One-way radios are mandatory. Two-way radios will not be permitted
