

To DIRTcar UMP Modified Teams and Drivers:

Please make your plans now to participate in the 13th annual DIRTcar Summit Racing Equipment Modified Nationals during the DIRTcar Summer Nationals events.

The DIRTcar staff will manage the event from pill draw to payoff and each event will have a posted consistent payoff.

This year we have 27 races scheduled; a driver racing every race would travel 4,435 miles and 71 hours. Winning every race would pay \$51,500 including \$5,000 for the championship. A total of over **\$175,000** in purse is posted with a Summit Point Fund of **\$15,000**.

Once again, this year we will be live streaming of all Summer Nationals / Summit Modified Series events LIVE on DIRTVision. Your family, friends and sponsors will be able to catch every minute of action. Check out the PPV packages on DIRTVision.com.

All the events will be full Summit Modified Series events with full points and utilizing DIRTcar UMP Modified rules along with DIRTcar procedures.

All series events have a standard purse with all events paying a minimum of \$1,500 to win. **Drivers will count their best 12 races, with tiebreakers on the 13th, 14th, and 15th event.**

Summit Racing Equipment continues to be a huge supporter of Modified teams with their sponsorship program and the only thing you must do is show up and have the decals on your car. Every car that makes the feature will be given an award from one of the many sponsors Summit Racing Equipment has teamed up with to support the DIRTcar Summit Racing Equipment Modified Nationals.

Follow all the news and updates at dirtcarsummernationals.com, dirtcar.com, or on Twitter at @SummerNationals.

Please find attached the event schedule, the payoffs, the procedures, and the Summit Racing Equipment bonuses.

Thank you, teams, for supporting DIRTcar as well as supporting Summit Racing Equipment and remember if you can't support the Summit Racing Equipment Modified Nationals, please support your local DIRTcar track.

Thanks, and Good Luck!!!
